

RITE NOW @ ROP

In beautiful Orange County, ROP's Southern California Treatment Programs had the honor to host its 3rd Annual Open House on the 7th of August. The theme for this year was a Hawaiian Luau where our children from the Tustin homes, local law enforcement, community partners such as representatives from Orange County Social Services, Orange County Health Care Agency, family, friends and staff came together to recognize and appreciate our ROP Mission, Improving the Lives of Youth, Families and the Community.

This fun filled day included a catered Hawaiian barbeque, snow cones, games, information booths, candy lei crafts, and even hula dancers. Guests were able to tour each home. The staff and students from the Tustin homes were pleasantly overwhelmed by the level of community involvement.

Southern California Treatment Programs is looking forward to hosting another Open House on October 16th, 2019 for the Placentia Programs (Paragon and Livingston Homes).
